

Dear Judge Chan

I enclosed a very short
OO in reference to Anthony
Nembhard which includes

① "It doesn't benefit him
to work" April 1, 2021 @ 3:06 pm

② March 17, 2021 @ 12:4 pm
this is the day you dismissed
the conspiracy
conferate play with hand
gun and assault Rifle in
driveway

③ Willowfezz (March 29, 2021)
Ramen and Anthony Nembhard
planted a tulipfezz & Willowfezz
between both properties after
he was charged for the second
time with harassment

the damage from that
trees when the start to take
off and grow will be alarming
it would not only ruin my
foundation of my home which
is you can see is less than
40 feet from my home, less than
50 feet from my septic tank
less than 6 inches from my
driveway - I need not go
on. But it will also ruin
freedom, mortgagor's property
also

Thank you
J Jackson
